

Paloma Montessori School is located in San Marcos, Texas. Our community is specifically designed for young children and their individual needs. It embraces each element of Maria Montessori’s revolutionary approach. Natural lighting, soft colors, and uncluttered spaces set the stage for activity that is focused and calm. Learning materials are displayed on accessible shelves, fostering independence as students go about their work. Everything is

where it is supposed to be, conveying a sense of harmony and order that both comforts and inspires. In this safe and empowering environment, students find joy in learning.

We provide Toddler and Early Childhood programs, and integrated Spanish lessons. We are expertly staffed with AMS and AMI certified guides along with trained support staff. Together we work to create stimulating learning environments fully equipped with Montessori materials and low ratios to best support every child in our care.
